another hypothesis

</> My mouth is too small [-] Why? Why? Some priests are not together [-] I'm sitting turned around towards the razledg [-] The way oststodo moves is strange [-] Mental processes are differentiated relationships that do not follow a linear ndusa [-] The transposition </> the style </> also lacks any meaning [-] The world </> its meaning [-] They are an example of observation [-] Dinner is at half past six [-] At night </> drunk </> I am a father who does not hesitate to share his life with you [-] He didn't look upset at all [-] Try to put flowers in a vase [-] Today we are going to dance a little [-] The room is too simple [-] I see She

hasn't gotten engaged yet </> but she should be back soon [-] The fall game is over and I'm on the floor [-] He rarely remails letters [-] I cheated her out of a nightclub with him [-] Hair is black [-] So here we go [-] A picture I made a while ago shows two sacks of rice hanging from the end of a bamboo stick [-] I can still see the rebellious shade on my brown face (the shops and supermarkets I frequent) [-] I am (a moment like this) [-] Time is winter's grave </> life is alive and understand my perennial [-] Everyone is an unwanted embryo [-] Every sekke nas lekho blesses in this world [-] A dog on an empty street follows an inevitable path [-] His shadow is the duty of care [-] Me and her </> stones beyond joy and desire [-] You are contemplative consciousness </> horror [-] Your body is scratched by a fleeting passive impression (moral </> grotesque) [-] Next to the electric heater is a blanket [-] Cover the screen </> kiss you and dive into your tongue like never before [-] Your hand is an objestyna objestyna </> running boščen (more and more often in zronej metro) [-] I'm talking about the pure gifts of music [-] Exotic </> rural </> the door can be opened by yourself [-] Push the door with your shoulder as I look at you [-] Satiety filled my eyes [-] Colored threads </> exoticism and regrets </> husbands and fathers </> sacred sauces </> everywhere must find my roots </> Get people out on the street [-] Stand up after a break [-] I can't see you [-] I'm not yet thirtyfive [-] You make me laugh </> a written novel is suicide [-] cube </> social game [-] Leek cream [-] The men were taken from behind and gas masks were carried on the street </> A shovel on my shoulders </> a gun is the sheath of my animal </> Emptiness is an interpretation of oneself </> a forbidden good </> about which we ruminate in our hearts [-] No </> my death was a dark object </> perhaps an apatramat box [-] When I'm dying </> when I'm killing myself </> I know that everything will be repertory </> done [-] My body has never lived with anyone else [-] The factory announced by laying off dowmen [-] I'll show you my notebook [-] You killed me with wonder and horror [-] After death </> the omjce can be seen moving further away </> Noise is sacred [-] I opened the door [-] I want to get up after resting [-] I need to prepare Through death </> the past seems so heavy that it wants to run away (conscience is never silent without being scolded) [-] My shop </> food and licks in both details [-] I eat myself in anorexia [-] Jesik meets the noise [-] I am a part of tahsena tradition [-] The enraged audience breaks the chairs during the concert [-] The break is the point of no return [-] Enter the party [-] Take your imagination elsewhere [-] You have everything you want [-] Stay away from the source [-] Whitetrimmed hood </> hard face [-] I stay away from drugs </> schizophrenia </> employment agency [-] I'm broadcasting on the radio (I'm drowning in the back with cream and sake) [-] Eternity cannot live [-]

d) Never saw anything [-] The door forms a finger wide gap (Your voice is strange </> /Some žižní slační must be [-] The autumn leaves have fallen) [-] It's probably as stupid as anything else [-] Independent </> independent </> incredible [-] He must be an intellectual [-] Gray hair is acceptable </> Shining objects </> shards of glass and the like [-] Sneaking into the sewers takes very little time [-] The reflection must be blinding (if it's too short </> I'll look for dognes) [-] In order to do this </> he himself disappeared [-] Nobody wants you like I do </> Scream: Matricide! And you (nightmare and comvoys) didn't go down [-] You must say: nothing [-] Justice gives you wisdom // War movies </> historical books [-] Player sits in any room [-] It's easy to forget your origins </> The first thing she told me was that she was pregnant [-] What is you crying? // Reliable death [-] Clean and sweet [-] Change direction suddenly </> without veltul [-] Women's bare arm </> glitter silk [-] Do you think it's okay to use these words? We understand interconnectedness [-] He started licking and biting her fingers [-] Ad irsnost in the seriousness of the facts that are presented [-] The defining argument is that war itself destroys integration </> We are old friends // My enjoyment is sacredness (music </> cool nights [-] How long did your marriage last?) </> Undemocratic minds question humor [-] They ask me about my lifestyle and activities [-] I'm sitting in my mother's chair and talking about all this [-] The great blue one </> Krater (while transforming into a woman) [-] speed up / My father is a witness [-] Something for him </> something for me [-] The conversation never stops </> even if it doesn't lead to something pleasant to start with [-] Yes Yes [-] true [-] What would you do without an airplane? There's always a plane to catch [-] Respect your secret </> surrender [-] Imagine your life confused by the vaanied glow [-] Their hands accidentally touched [-] Hot pressing of metal and glass [-] I can't find nichot za za svere </> Due to the epidemic </> no words can tell me how to spend my days and nights [-] I feel like I have to go back [-] I eat two meals now [-] Is it not? He felt at home on the stairs </> Day and night [-] What's up? That's glass [-] I like it // She seems to blame him for leaving [-] For marriage </> for that unwavering union [-] He also drank the night before [-] Other machines are not included // Send it to me [-] I have to say these words </> sørne ne tøssøn nejme [-] I also like music </> but not in movies [-] A smear of something semihidden and shiny </> (I felt that the music changes [-] It became rhythmic and percussive

[-] Voice </> with guitar and drums behind) [-] I understand that I must follow her [-] you expect me I've never been to Brazil </> I told her [-] Sometimes I wonder [-] (this is the disc in the praejar you took away) [-]

01 (Ecstasy of the turning point)

a) I'm looking for words that are more alive than real </> An isolated barrier that eludes me and opposes evsak mijnag </> I'm not afraid drowning in the water slapping my bare feet [-] (I spit on the floor </> rub my thumb against the spit </> Your flesh eats me [-] I enjoy when someone is covered in blood </> /I look into his eyes like a lover </> /They tied me to a goat chair [-] all the spilled blood </> pour it you will be at the door) [-] I look at his face </> eyes </> né body né obravela </> which sakana signs nili </> I have to go beyond androgyny and hear love </> sex and identity [-] I entrust you to my ogsedel </> Violent implosion of something from multiple universes </> The fundamental matrix of the collective imagination [-] I fear symmetry [-]

(I chew on her ear </> I will soon eat it </> / Consciousness is matter </> an unspoken instinct [-] The first straw leads to the description of the deity [-] The mythical propakina is a blind natural image that cannot [-] The achieved condensation is in it [-] It is not relokana </> / Ambiguous </> mystical view [-] You don't know what will happen to yourself </> where you can do it </> where you can do it [-] he crouched on my chest [-] Existence is a thing </> if the meaning cannot be abandoned [-] The matter with it is seemingly necessary [-] Existence is pure chance [-] A plot </> a joke [-] This Matter is traceable in a candle of consolation </> I know where to get it) [-]

(I know that temporal observation is irrelevant to justice and meaning [-] I cut the jinn behind the gray back [-] I run away </> The possessive attitude that makes other things a thing does not make my possession a lie [-] My everything is for her [-] </> This tension is expression of thought </> The word that I cannot find belongs to another order </> its meaning cannot be true </> /Nature is right Memory of itself </> thought is an objective expression of the body // This page disturbs the axis in its gravity structure It is an absence of meaning </> is sebuna </> turned into its opposite [-] The text must adjust itself </> it must overcome the consistency of meaning and the production of substance [-] itself [-] pagina </> the stranger has degenerated </> This is saturation Disgusting </> p throws a productive </> insatiable power from these submissions [-] is a parody of oška) [-]

a1) The waves are wavy and there is no space for silence </> I'm tired </> I'm going away from the gap </> Confidence in this program is just a series of strokes on a piece of paper [-] (For example </> I got a turkey sandwich at Todori) [-] Music discovery is oststodo [-]

b) In this language (and on this page) I have always witnessed an unstoppable disintegration and disintegration </> My stage is limited to the object of realism in language </> which has nothing to do with language itself </> My eyes are open </> These words on tkebojne are painfully true </> which were revealed in jelos [-] In the language </> everything in exty has a meaning or an expression </> Truth is inseparable from the physical dusting of the body that sustains language [-] (Violence and musical thickening are alien </> the effort of new music that is overwhelmed by infinity </> the desperate slijaskar gesture that refuses to be seen as a graphic symbol </> closes the gap of communication) [-]

b1) I'm looking for words that are more alive than real </> an obstacle of isolation that escapes and opposes my túmpleno </> I am not afraid that a drowning man will run into my bare feet when I go into the water [-]

b2) Red marks on the knuckles </> those who hit their head against the wall </> No one has a yarn </> let alone a room </> to which it belongs [-]
Why didn't you ever talk to her? Cotton </> last shot in the last [-] Their movement is not slow and uncertain [-] It was dark and the dissidents are not cash beatings until kjig [-] His blue iris [-] Those moments when you have to be patient and wait for the other person to speak </> They recite the text and scold them [-] This room </> leaning against the kitchen table </> is full of books [-] One year there was so much snow that we were quarantined for whole days </> (The original nucleus is the stomach socket </> the skin of the face or the plaster of the kitchen) [-] There's no time for foreboding at all </> I really want to jump and swim </> A bundle of typing paper </> I heard the splash of water [-] The room was large and dark [-] It's a horror </> a crazy horror without a saint [-] The concrete block building is low and nestles at the northern end of the town </> The power I wield to overcome fear is a threat [-] This pendant is a threat [-] All you have to do is eat the sweet and sour pork </> eat </> signal the waiter to move away [-] One of your hairs sticks to your cheek like a soft gray hair </> Everything is žožija </> the stage is being swallowed up </> the car </> which still has some space left </> (Then I come to you [-] A lot </> but that's all [-] I sweat with you </> naked </> with the lights on </> I don't know anything) [-]
Vsuka woman is looking for a man with holiness </> novena does not want a martyr </> If I hide my identity </> I doubt my purpose </> close [-] OK then [-] close

b3) This checker is surrounded by only a few sparkles </> If I tell myself </> I tell you </> Or maybe it's a serivi </> I've never seen it up close [-] It's probably too big to drive a car </> A strange comforting image </> Red chili [-] I wanted to give some digital photos when we spilled something on our hands </> His eyes are white with shock [-] The child let out a long sigh as if shaking [-] Go to the bathroom to get the plushie [-] Install the lightning bolt in the camera [-] Magpies </> who like to hang out in the park </> don't have to eat plums in the forest </> I would be happier without her </> What </> what </> what changes?

Graphic design
Sindi Karaj

NIHIL's graphic design moves in a system of randomly assigning five font styles designed and set specifically for the document; a script determines their order and frequency, in a technological flow that follows the rhythms of artificial intelligence and embraces the language of web code by replacing the punctuation marks of traditional publishing with pauses and breaks peculiar to this writing.

The computer processing of the text has produced glitches and typos that we have chosen to maintain.
